EDUCATION

George Mason University **Fairfax, Virginia**
B.S. in Information Technology *Expected Graduation, May 2027*

- **Concentrations:** Cloud Computing
- **GPA:** 3.15
- **Related Coursework:** Object-Oriented Programming, Algorithms & Debugging, Computer Systems & Networking, Database Management Systems, Server-Side Programming, Discrete Mathematics, Cloud Computing & Security, IT Concepts & Security, Web Development & Databases, Statistics & Data Analysis

WORK EXPERIENCE

Blue Ridge Dynamics **Chantilly, Virginia**
QA Engineer – Intern *May 2025 – Present*

- Developed and automated end-to-end tests using **Playwright** (**JavaScript**) to validate UI functionality and user workflows
- Identified, documented, and tracked software defects using **Jira**, collaborating closely with software developers to reproduce and resolve issues
- Wrote and maintained test cases and feature documentation in **Confluence** to support ongoing development and regression testing
- Used **GitLab** for version control, including pulling and pushing changes, resolving merge conflicts, and validating fixes in test environments
- Participated in daily Agile standups, coordinating testing efforts and providing status updates to cross-functional development teams

USA Powerlifting (USAPL) **Manassas, Virginia**
Meet Volunteer – Spotter/Loader *Apr 2024 – Present*

- Assisted in the safe and efficient execution of powerlifting meets by loading and unloading weights for lifters
- Collaborated with referees and event staff to maintain meet flow and ensure compliance with USAPL standards

PROJECTS

Legal Language Simplified **Fairfax, Virginia**
Team Member *Mar 2023 – Apr 2023*

- Planned and pitched an AI-powered platform that simplifies legal documents for non-native English speakers using layered machine and human translation
- Planned features including OCR document recognition, legal term highlighting, translation aggregation, and explainable LLM-generated plain-English summaries
- Integrated future plans for human review with confidence scoring and real-time document Q&A via Retrieval-Augmented Generation (RAG)
- Placed 1st and received Mason's Choice Award at GMU's Patriot Pitch Competition, earning $14,000 in total prize funding

ACTIVITIES

George Mason Powerlifting Club **Fairfax, Virginia**
Team Member *Aug 2023 – Present*

- *Participated in team training sessions and club events, including unsanctioned meets showcasing individual lifts*
- Actively preparing for first official powerlifting competition to represent GMU in sanctioned events
